

SOUTH COAST LGBTQ+ COMMUNITY RESOURCE GUIDE (WITH COVID-19 RESOURCES)

Be safe. Be well.

Our hearts go out to everyone in the South Coast LGBTQ+ community affected by the COVID-19 virus or concerned for a family member or loved one.

We realize that the unique challenges our community faces—whether health-related, social, economic, or spiritual in nature—are amplified during this crisis. Included in this Resource Guide are a few of the many resources available to help you stay informed and feel supported during this difficult time.

Your friends at the South Coast LGBTQ+ Network send our love.
We will get through this together.
